1. You must telephone the contact (Deputy Dive Marshall) between 6pm-8pm to reserve.
The plan does work well but.....Don't book day(s) before or with someone else - you may get forgotten about.
2. Do not worry about weather, alternative sites will be arranged if possible, if in doubt give the Deputy DM another call.
3. **Please note** 'Ready at' means time to be **ready** with your assembled kit in boat, suited up ready to assist with launch, off and away! *The tides don't*
4. Tuesday / Thursday diving is available (depending on site / experience) to members as club dives, Tel: DO on 01437 763618
